

DON'T BE CAUGHT SHORT ON PERFORMANCE!

Speer® Gold Dot® introduces the first advancement in 38 Ammunition in years — **The NEW 38 Special +P 135 Grain Gold Dot Hollow Point.**

The NEW 38 Special +P offers all the exceptional performance you've come to rely on with one BIG difference — it is specifically engineered for the short barreled revolver. YOUR BACKUP! The Speer Gold Dot 38 Special is loaded with high energy flash suppressed propellant for maximum velocity in short barrels. The 38 Special +P bullet is tailor-made with an extra-wide and deep GDHP for optimum penetration and ballistic performance.

See It For Yourself

Gold Dot's state of the art engineering does it again with the NEW 38 Special +P ammunition. Even through the toughest of FBI protocol barriers, Gold Dot's performance speaks for itself. It is the best 38 +P service round made, period.

When the time comes to call on your back-up, don't be caught short on performance. Rely on the BEST, Speer Gold Dot!
