

IDPA CORE SKILL TEST

Designer: Bill Wilson/Claude Werner

Scoring Method: Limited Vickers

Rounds: 39 only

Target Description/distances: 3 Standard IDPA targets, 7 - 13 yards, per diagram

Starting Position: Shooter at P1 facing as specified, hands relaxed at sides.

Procedure:

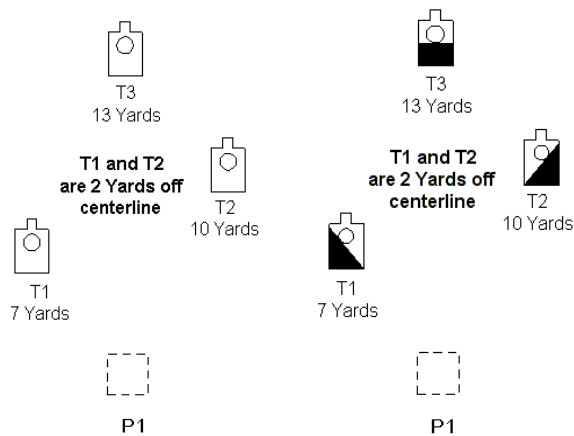

String 1: Start loaded with six rounds only, facing and looking 90 degrees to left. At signal, turn, draw, and engage T1 - T3 with 2 rounds each in Tactical Priority, reload and re-engage each target with one head shot each in Tactical Priority. *Tape all dropped headshots in String 1 before shooting String 2.*

String 2: Start loaded with six rounds only, facing and looking 90 degrees to right. At signal, turn, draw, and engage T1 - T3 with 2 rounds each in Tactical Priority, kneel, reload and re-engage T1 - T3 with 2 rounds each in Tactical Priority.

String 3: Begin facing and looking 90 degrees to left. At signal, turn, draw, and engage T1 - T3 with 2 shots each, in Tactical Priority, dominant hand only.

String 4: Begin facing and looking downrange, handgun in weak hand at low ready. At signal, engage T1 - T3 with 2 shots each, in Tactical Priority, weak hand only.

String 5: Begin facing and looking 90 degrees to rear. At signal, turn, draw, and advance toward T3 while engaging T1 - T3 with 2 shots each, in Tactical Priority; all shots must be fired while moving.
